## BREEDING SHED

### Keeping the Membership informed, LTBA President Tom Early

Each Spring, we welcome the new crop of Louisiana bred foals arriving on a daily basis. This spring the LTBA also welcomes a new face in our Evangeline Downs office. Brooke Darbonne started in the Evangeline Downs office March 29th. She will be in the office to assist breeders with any LTBA related business Tuesdays through Fridays from 9 a.m. to 2 p.m. For those of you who are not familiar with Brooke, she is the daughter of Steve Darbonne, who stepped up to manage Evangeline Downs when David Yount became ill. She is also engaged to Janson Melancon, son of Gerard Melancon. If you read my column

in the last issue you remember that it was Gerard who recommended Billie Courville. Let's hope the connection to Gerard is as successful as his last recommendation.

Also new this spring is the launch of the updated LTBA website. The website has a fresh new look, but more importantly it has been re-organized and several new features have been added. The site now has several new sortable tables that will make it easier for breeders to find information. The membership directory has been re-designed and can be searched by first or last name, address, state or type of member. Many of our forms

can be filled out and submitted online. There are online Forms for Membership, Foal Accreditation, New Mare Registration & Stallion Registration. All other forms are still available to be downloaded, printed and mailed to the LTBA. Our popular Hypomating feature as well as weekly entries and results are still on the site. I hope you will take some time to explore the new site, and let us know what you think. [www.louisianabred.com](http://www.louisianabred.com)

Most of you already know that the Breeders Sales Company of Louisiana has suspended operation to consolidate the yearling market in one location, that being in Opelousas at Equine Sales of Louisiana. This was done in the hope that a unified sale, where all breeders in the state are selling at one location will strengthen the market here. I would like to thank those who were involved in the negotiations to get this goal accomplished. Much work was done by Brett Brinkmann, Jake Delhomme, Gary Johnston, Lee Lang, Jay Adcock and Foster Bridewell. This year's yearling sale will be held on September 7th with a mixed sale to be scheduled later in the fall.

## Proudinsky

In the United States, breeding is dominated by the male lines of Northern Dancer (particularly through Storm Cat and Danzig), Mr. Prospector, Seattle Slew and Hail to Reason. So deeply interwoven into American breeding are these strains that it is rare to have any chance of breeding to a stallion who is an outcross to all of these lines.

Louisiana breeders have that opportunity through Proudinsky, currently standing at All Star Thoroughbreds near Sulphur. While he is a sixth-generation descendant of Northern Dancer through Nijinsky II, he is otherwise free of America's most popular bloodlines. Further, he represents German strains known for their soundness, stamina and freedom from exercise-induced respiratory bleeding.

Best known to Louisiana horsemen as a two-time winner of the Mervin H. Muniz Jr. Memorial Handicap (G2) at the Fair Grounds, Proudinsky also won the San Gabriel Handicap (G2) at Santa Anita twice and picked up the Bay Meadows Derby (G3) as a 3-year-old in 2006. He amassed seven wins, nine placings and a bankroll of \$1,325,960 over the course of his racing career.

Proudinsky is a son of Silvano, who won the 2001 Arlington Million (G1) in the United States and the Queen Elizabeth II Cup (HK-I) in Hong Kong. Exported to South Africa for stud duty, he was champion sire in 2012/13, breaking the all-time record for single-season earnings by the progeny of a South African stallion, and has been among the top five South African sires on five other occasions. Still active at Maine Chance Farms, he is currently second on the 2015/16 South African general sire list and is the sire of at least 16 Group I winners.

Silvano, in turn, is by Lomitas, Germany's Horse of the Year in 1991 and the German champion sire of 2001. The next sire in the tail-male line, Niniski (by Nijinsky II), won the 1979 Irish St. Leger (Ire-G1) and Prix Royal-Oak (French St. Leger, Fr-I) and was a successful sire of stayers.

The distaff side of Silvano's pedigree is also of some interest. His dam, Spirit of Eagles, was also the dam of Sabiango (by Acatenango), a Grade/Group I winner in Germany and the United States, and was Germany's Broodmare of the Year in 2001. She is a California-bred daughter of 1980 San Antonio Stakes (G1) winner Beau's Eagle, whose second dam Bushfield is by Jet Pilot out of Miss Busher and is, thus, a three-quarters sister to Jet Action, sire of the second dam of Seattle Slew. This affinity suggests that Proudinsky may fare well with Seattle Slew-line mares.

Proudinsky himself is out of Proudeyes, also the dam of German Group III winner Proudance (by Tannenkonig). She is by 1989 English 2-year-old male Dashing Blade, who provides a welcome infusion of speed and precocity in an otherwise stamina-oriented pedigree. The German champion sire of 1998, Dashing Blade is by Elegant Air, a Group II-winning son of 1978 English Horse of the Year Shirley Heights (by Mill Reef).

Proudeyes was produced from Porta Westfalica, a daughter of 1976 German Horse of the Year Windwurf. A half sister to French stakes winner Perettor (by Sovereign Path) and to Pereaia (by Kaiseradler), dam of English Group II winner Proudswings (by Dashing Blade), Porta Westfalica is out of Perette, whose sire High Hat was the French champion older male of 1961 and the English champion broodmare sire of 1980. Perette, in turn, is out of the Prince Taj mare Perine, a half sister to 1964 Prix de Diane (French Oaks) winner Belle Sicambre (by Sicambre).

A staying turf runner during his own racing career, Proudinsky is a tall, elegant horse who looks the part with a deep shoulder, a short back, good rein length and long, clean legs. While he may not suit an extremely blocky mare, he should be a good choice for mares with some power behind who need a little more scope and leg length put into their foals.

Both Proudinsky's physical type and his bloodlines suggest that he may make a fine cross for mares from the popular Storm Cat male line. He also appears well suited to mares from the Danzig male line, who like the Storm Cats tend to be quick but can benefit from a sire able to stretch them out a bit. A third branch of Northern Dancer that may fare well with Proudinsky is Sadler's Wells (found in the United States mostly through sons and grandsons of El Prado). In Europe, Sadler's Wells has done well when crossed to the male line of Mill Reef, whose great-grandson Dashing Blade is Proudinsky's broodmare sire.

Turning to the Mr. Prospector male line, the Gone West branch appears to offer the best promise of miler speed and rear-end power to blend with Proudinsky. Another possibility may be the Forty Niner branch, which would pick up the Ribot inbreeding found in Silvano's pedigree through Forty Niner's broodmare sire Tom Rolfe.

"Proudinsky has to be the best horse I've ever owned," says All Star owner Jack Hebert. "He looks

even better than his photograph—just a big gorgeous horse. He stands 17 hands, but anyone can handle him. He has a great mind and his manners couldn't be better. His babies are just like him, too. They've got great minds and they're easy to train. The people I know who have his youngsters seem really pleased with them and are looking forward to watching them run."

Proudinsky is not a sire for a mare owner seeking a precocious juvenile. His progeny are likely to need time to mature and to be better over a distance of ground. However, there is enough "dirt" in his pedigree to suggest that they will not be limited to turf, particularly if his mates were successful on the main track. His daughters may also prove a valuable cross for the sprinter-miler stallions so popular today. Thus, while Proudinsky is unlikely to suit a breeder seeking a quick return on investment, he may have a place in a breeding program which is looking ahead to the long run.

# Starry Night

## Louisiana Premier Night 2016

By Chad Cooper

All the stars of Louisiana thoroughbred racing gathered at Delta Downs in Vinton as the track hosted the 13th Annual Louisiana Premier Night, which featured 10 stakes races totaling more than \$1 million in purse money. Those watching saw the return of several past champions, dominate performances and a few longshots along the way.

### Louisiana Premier Night Championship

\$200,000 • One mile and one sixteenth • Four Year Olds and Upward

## STORMDRIVER

**Discreet Cat – Prom Date, by Take Me Out**

**Breeder: Tigertail Ranch • Owner: Fruition Racing LLC**

**Trainer: Pat Devereux Jr. • Jockey: Diego Saenz**

Just back from an extended leg injury, jockey Diego Saenz had a big night winning two stakes and gave Stormdriver a near perfect trip winning the “Pièce de résistance”, the \$200,000 Premier Night Championship for trainer Pat Devereux Jr. and owners Fruition Racing LLC.

Longshot Know You Now set blazing early fractions of 22.57 and 47.22 with the 3-5 favorite The Pickett Factor battling for the early lead. The pair separated themselves by 12 lengths from the rest of the pack. Once on the backstretch, Know You Now threw in the towel and The Pickett Factor took over, but not for long.

Once reaching the far turn, Stormdriver along with One King's Man made moves and battled past The Pickett Factor, yet it was Stormdriver who drove on covering the distance in 1:45.67 beating One King's Man by 1 1/4 lengths while The Pickett Factor hung on for third.

"They went real fast and it really helped me," added Saenz.

The son of Discreet Cat improved his record to 8-32 with earnings of \$451,677. It was his third Louisiana stakes win since being claimed on Sept. 19, 2014 for \$18,000 by Fruition Racing at Arlington Park.

"This horse has been great," said Randy Jones of Fruition Racing LLC. "We watched him for awhile and thought it would be great to bring him back to Louisiana company after claiming him in Arlington. He had a few issues, we worked on them and he turned out to be the great horse we thought he would be. He is still a horse but is mild-mannered as can be."

As a 3-year-old, Stormdriver (\$14.80) ran in two Grade 3 affairs, the Sunland Derby and the Iowa Derby. The horse's most recent win prior to the Louisiana Premier Night Championship came last year during Louisiana Legends Night on July 4, winning the \$125,000 Legends Classic.

The official order of finish was Stormdriver, One King's Man, The Pickett Factor, Galveston Harbor, Louisiana Flyboy, Four Leaf Chief, Deep Bottom and Know You Now.

### FOREST LAKE

**Forestry — Oval, by Kris S.**

**Breeder: Jake Delhomme & Set Hut LLC**

**Owner: Set-Hut LLC**

**Trainer: Jerry Delhomme • Hector Santiago**

In one of the most exciting finishes of the night, Forest Lake rallied from last to first to win the \$150,000 Distaff by a near head as jockey Hector Santiago piloted the 4-year-old daughter of Forestry to

give Set Hut LLC a trophy on Louisiana Premier Night.

"There's a lot of good horses in this race, so it's really special," said Jake Delhomme, who was all smiles thanks to the win, and to the fact that his former NFL team, the Carolina Panthers, were playing in the Super Bowl the following day.

The even-money favorite Oh Baby Oh Baby took right to the lead with modest fractions of 23.47, 47.95 and couldn't hold on. An army of horses made a move down the backstretch including ultimate winner Forest Lake (\$13.80), who had problems finding room to make a move. As they reached the far turn, Santiago and the filly split rivals and held off Private Promise to cover the 1-mile contest in 1:39.85.

"When I moved on the backside, I had 3-4 horses in front and just waited with her and we found room and she took off," said Santiago.

It was Forest Lake's third consecutive win, fifth in **"This horse has been great," said Randy Jones regarding Louisiana Premier Night Championship winner Stormdriver.**

15 outings, for career earnings of \$325,070. She also won the \$100,000 Magnolia Stakes at Delta in October.

Delhomme has been with the filly since her birth.

"I thought we were going into a little trouble on the backside, but Hector did a good job," said Delhomme. "She's only ran one race where she didn't earn a check and that was last July at Evangeline and we had to give her a little time off and she came back great. We have tried to manage her correctly and she's done really well for us."

Official finish order saw Forest Lake, Private Promise, Pacific Pink, Tujuacagofast, Oh Baby Oh Baby, Miss Betty Boo, Honey Springs, Flashing

Authority, and Indian Wind.

With a dominant performance in the Louisiana Futurity back on Dec. 31, Smittys Cougar nearly repeated her same performance as she took the early lead and never looked back to win the \$125,000 Louisiana Premier Night Starlet Stakes by three lengths over the 2-1 favorite Jet Black Magic.

The daughter of Half Ours has been nearly perfect winning four starts in six tries for \$193,312 for owner and breeder, Roger Smith.

It was a three-way duel for the early lead with Smittys Cougar (\$6.80), who broke from the 1-hole, Conquest Tiz One and Jet Black Magic. Fractions were furious at 22.89 and 46.92 yet Smittys Cougar made her way to the lead and then building it by five lengths.

"I knew we were going really fast early, but I needed to take the lead," said winning rider Richard Eramia. "I opened up a little early and she got a little tired, but if someone was going to catch us, it would have been at the wire."

The filly was a \$30,000 buy-back for Smith, who also raised the filly's dam, Smitty's Sunshine, a champion turf horse. Moving forward, Smith said they want to run her on the turf.

Order of finish was Smittys Cougar, Jet Black Magic, Blue Ribbon Girl, Aunt Nellie, Hopette, Giant Cruiser, Lady Lute, Figuresitsacat, Elegant Idea, and Conquest Tiz One.

### ICY GENTLEMAN

Yankee Gentleman – Icy Day,  
by Five Star Day

Owner/Breeder: Ironwater Farms Joint Venture

Trainer: Henry Johnson Jr. • Jockey: J. Guzman

Icy Gentleman (\$23.40) left no doubt that he is one of the top 2-year-old runners in Louisiana. The son of Yankee Gentleman dominated rivals taking the lead right out of the gate in the Prince and saw no real threat winning by 3 1/4 lengths over 43-1 longshot So Sorry Ruston while covering 7 furlongs in 1:26.42.

Trained by H.B. Johnson for owner/breeder Ironwater Farms Joint Venture, Icy Gentleman was the fifth betting choice in a tough field that included Louisiana Futurity winner Half Cajun and Sea Vow, winner of the Big Drama Stakes, Champions Day Juvenile and the Louisiana Legacy.

"I knew Sea Vow and Half Cajun had a lot of early speed," said Guzman, who gallops the horse in the mornings for Johnson. "We broke good and got the lead. He felt real strong down the stretch."

Those who know H.B. Johnson know he is a man of few words. "Well, I've his him since he was born," he said regarding Icy Gentleman. "He had some bad luck in the Jean Lafitte, but he is a super little guy.

Order of finish was Icy Gentleman, So Sorry

**Fusaichi Pegasus-Sparkles of Luck**  
**Owner/Breeder: Rowell Enterprises, Inc., Frank and Barbara Rowell**  
**Trainer: Eduardo Ramirez • Jockey: Diego Saenz**

Ruston, Sea Vow, Hunker Down, Our Rapidash, Half Cajun, John's Luck, Mick, and Berniestrike.

All eyes were on the Louisiana millionaire Heitai, and the 6-year-old did not disappoint. Now in the barn of Eddie Ramirez, Heitai (\$3.80) covered 5 furlongs in 58.16 to win his third consecutive Louisiana Premier Night Sprint to improve to 16 wins from 35 starts with a bankroll of \$1,074,893 for owner/trainer Rowell Enterprises, Inc.

Heitai shot out of the gates like a rocket yet saw early challenges from longshots Unitas and All About Interest with sizzling fractions of 22.40 and 45.70. When jock Diego Saenz took the far turn, there was no catching the 6-year-old.

"He kind of looked at something and slowed down," said Saenz, "but as soon as I called him, he went back to racing."

The order of finish behind Heitai was Jslookovrurshoulde, Win Lion Win, Jockamo's Song, C U Tiger, Red Production, Hook, Unitas and All About Interest.

"When you beat Louisiana bred, you've done something," said Frank Rowell. "Let some of those Kentucky bred come down and race against some of these horses and owners we have and they will find out its not so easy. He's now over a \$1 million in earnings and we are very close to retiring him. We will never run him for anything other than a stakes race."

Heitai's dam, Sparkles of Luck, was also a runner

herself. With Gerard Melancon in the saddle, she defeated multiple stakes winner Sarah Lane's Oates on the turf at the Fair Grounds in the Red Camelia Handicap in 2001 and she also upset Hallowed Dreams in 2000 in the Millennium Stakes at Evangeline

Downs.

Trainer Pamela Simpson said she always thought Diamond Cutter was a nice filly and now racing fans and horseman can agree. The 4-year-old daughter of Salute the Sarge became a stakes winner for the first time in her 11-race career with a gate-to-wire effort in the Louisiana Premier Night Matron with rider Gerardo Mora in the saddle for trainer Pamela Simpson and owner/breeder World War IV Racing.

"I am just thrilled," said Simpson. "We've actually raised the horse for the owners so we have been there since the birth. I always thought she was a nice filly and she proved herself tonight."

From the inside post, Mora and Diamond Cutter broke on top and never saw another runner in front as she held off the late charging favorite Lady Grantham by 2 1/2 lengths to cover the 5 furlong sprint in 59.12.

The filly improved to 5-11 with career earnings of \$175,700. She was fourth in last year's Louisiana Premier Night Starlet.

by Carson City  
Breeder: J. Adcock  
Owner: Hardy Racing Stables LLC  
Trainer: Keith Bourgeois  
Jockey: Gerard Melancon

Clay Hardy spotted a horse back in August that would be perfect for Starter races and was able to claim Watch My Smoke for \$12,500 at Evangeline Downs. After the claim, the 8-year-old son of Leestown was sent to the Keith Bourgeois barn and won two Starter stakes including a gutsy performance with Gerard Melancon in the irons to win the \$65,000 Louisiana Premier Night Gentlemen Starter.

Going 1 1/16 miles, France's Idol set the early pace then coughed up the lead to Arkansas Martini until Melancon and the gelding came rolling down the stretch to out sip Martini by a neck covering the distance in 1:46.09 to give Watch My Smoke (\$3.20) his ninth win in 42 career outs for earnings of \$352,625.

"We claimed the horse at Evangeline Downs and gave him a little rest," said Clay Hardy. "We shipped him over to Delta and ran a race that was declared a no-contest. We were able to find another spot for him and he ran a big second so we thought this stakes would be a perfect place. I am always on the look out for Starter horses. They are

very winnable races."

Melancon said he knew he had the best horse in the race. "The pace was perfect," he said. "When I nudged him at the quarter-pole, I knew I had them beat."

The official finish saw Watch My Smoke win, followed by Arkansas Martini, Kapenta, France's Idol, Cajun Streaker,

Breeder: Michele Rodriguez  
Owner: Dale White Sr.  
Trainer: Karl Broberg  
Jockey: C.J. McMahon

Badtotheboneblake and Motormech.

Tough Jeans had never been in a mile race before, but it didn't matter. The 6-year-old daughter of Good and Tough became a first time stakes winner in the Louisiana Premier Night Ladies Starter for older fillies and mares.

"We went 7 furlongs last trip, so I wasn't so much worried about the extra distance," said winning rider C.J. McMahon. "She left the gate with no problems so I just took her back and let her relax. We saved some ground and when I asked her, she took off."

Several horses fought for the early lead with fractions of 23.72, 48.84 yet McMahon was able to hold the Karl Broberg runner back before turning her loose. Once she

got the call, Tough Jeans (\$3.40) proved her toughness and jetted down the stretch past three rivals to cover the mile in 1:40.62.

The order of finish was Tough Jeans, Vendouse, I Love Pickles, Terre Noire, Hopeshesamircale, Ronda Michelle, Spicy Afleet, Angelof Gettysburg and Alead.

It was the mare's 11th win in 42 starts and she has since come back to win a Starter Optional Claiming race on Feb. 26 at Delta for 12 career wins and earnings of \$215,540.

"Funny story is I got lucky claiming her," said owner Dale White Sr., who also used to train her. "Back in August at Evangeline Downs, the shake was between myself and Karl (Broberg) for the claim and I got the shake. He really liked the horse and wanted to buy her, but I didn't want to sell her. I told him I would keep her and he could train her and he's done a great

Leave Em Counting left 'em behind. In her first ever stakes

appearance, the 5-year-old rallied down the stretch to earn her a \$50,000 Louisiana Premier Night Bon Temps Starter stakes win for trainer Karl Broberg and owner Randy J. Stone.

Bred by jockey Gerard Melancon along with trainers Bret Brinkman and Raymon Prejean, the daughter of Count the Time is usually the first horse out of the gate but that was not what happened on this night.

Starnilla broke on top and raced to the front building an early 5-length lead but did so with quick fractions of 22.32 and 46.08 in the 5-furlong affair. Starnilla kept her lead down the stretch until Leave Em Counting found another gear and rallied past to win by 1 1/2 lengths in 59.23. It was her 12th win in 31 outs for a career bankroll of \$174,558.

"I wasn't too worried I didn't have the early lead," said McMahon. "I let her get her feet underneath and I didn't want to get into her way. I knew she was going to kick on for me."

After a third place finish on Nov. 20 at Delta Downs, Broberg

claimed her for \$5,000. Since, she's a perfect in three starts.

"We've always liked the horse," said Broberg. "She tries hard every time. We didn't think she would be

this kind of horse but she kept getting better and better."

Veteran rider Steve Bourque came out of retirement during the middle of the Delta Downs racing season and along the way

climbed aboard a very fast sprinter by the name of Witch Hunt.

Bourque and the 5-year-old son of Yankee Gentleman left the gate first and had much competition winning the \$50,000 Louisiana Premier Night Ragin Cajun Starter by 3 3/4 lengths over 73-1 longshot Boogie Miester as he covered 5 furlongs in an impressive 58.61 for owners David J. Richardson and Sandra New.

"He broke real sharp and I knew if I could get the lead they were going to have to come and get me," said Bourque. "It was a fun ride."

Witch Hunt improved to 8-17 with earnings of \$147,735 and added stakes winner to his resume.

Trainer Bret Brinkman said he always knew he was fast.

"That's a nice little horse," said Brinkman. "We have always had faith in him. He had some issues along the way so we put extra time into him and stood by him. We managed to get him in the starter spot and everything worked out."

Brinkman added that if the horse would not have had a few issues, they would have been taking on Heitai in the Louisiana Premier

In the closest balloting of any division GIII stakes winner Jet Black Magic beat fellow GIII stakes winner Big World. Both fillies won their Graded Stakes in October and both started only four times.

The edge for Jet Black Magic came in her additionally being stakes placed in the My Trusty Cat Stakes at Delta Downs. She saved her best effort for her next start, the GIII Delta Princess Stakes, which she won by a widening four and one half lengths.

Jet Black Magic, a daughter of the Giant's Causeway stallion, Hold Me Back, was purchased at the 2014 Breeders Sales Company of Louisiana Yearling Sale in West Monroe for \$47,000. With current earning (including 2016 earnings) of \$388,380 she was a very wise purchase by Bret Calhoun as agent.

Breeder and Owner Ronald Webb made a wise choice when he decided to keep Sea Vow instead of selling him. Sea Vow rewarded him with three wins from five starts and earnings of \$173,240 for 2015.

The biggest winner in the voting for the various divisions of champions was in the Three-Year-Old Filly category. Pacific Pink, with four stakes wins in the year easily beat the rest of the field.

The Crescent City Oaks at Fair Grounds was her first stakes win of the year, when she closed from just off the pace to get up in the final strides. In the Louisiana Legends Soiree Stakes at Delta Downs she came from far back but won very convincingly. In the Elge Rasberry at Louisiana Downs she once again employed a stalking strategy and won by five comfortable lengths. She wrapped up her year and the championship with a hard fought win on Louisiana Champions Day at Fair Grounds in December.

Winning the \$400,000 Grade II Super Derby by a widening two and a quarter lengths would probably be enough to assure a championship, but Mobile Bay had previously won the Louisiana Legends Cheval Stakes at Evangeline Downs on Independence Day and the Lafayette Stakes at the same track. He would seal the deal with a win in the Zea Park Derby in the fall of the year, a race in which he defeated Louisiana Derby winner, International Star. Add to these stakes placings in the Prelude, GIII Oklahoma Derby and Louisiana Champions Day Classic and it is very easy to recognize a champion.

For the year his totals read thirteen starts with six wins and an additional six placings with earnings of \$614,290.

Let's try the easy way to win championship honors. Start three times for the year, all in stakes races and win them all. That's exactly what Tensas Harbor did to earn this year's title as Older Filly or Mare. She actually put away the competition in the winter and spring and her campaign was over.

The Louisiana Premier Night Distaff at Delta Downs in February was her initial outing for the year (she also won this race in 2014). Employing her usual relaxed running style, she dropped back early then displayed her stretch running talents to win by an easy four and one half lengths. Next was the Red Camelia, run a one mile on the turf, same running style, same result, only a little closer. The margin was a neck advantage that appeared only at the finish line.

Finishing her year was a win in April at Evangeline Downs in the Matron Stakes. Retaining her form for trainer Keith Desormeaux it was

a repeat of the previous two when she finished with a surge to win by a length. Tensas Harbor is by Private Vow, thus making it three this year, to garner a championship

for the son of Broken Vow. Tensas Harbor is the first stakes winner out of the Boston Harbor dam although she previously produced two stakes placed runners.

I can't begin to say enough about this year's older male, String King. In 2015, as a seven-year-old he added a Graded Stakes win to his resume by winning the GIII Colonel Bradley Stakes at Fair Grounds in his first start of the year. Usually a turf specialist he nevertheless won the Louisiana Legends Night Turf at Evangeline Downs in spite of it being run on the dirt. Next came a win at his home track of Louisiana Downs in the Louisiana Cup Day Turf. Showing his liking of Louisiana Downs he added the Unbridled Stakes in September.

For the year he had six starts with four wins (all stakes) and two seconds (also in stakes company) to soar his lifetime earnings past the million dollar mark (\$1,011,052). String King is the one man show of

## **2015 BROODMARE OF THE YEAR** **TRULY ROMANTIC**

Robyn Dancer-True To Romeo  
by Gallant Romeo  
Owner: Brandon Adcock

Unraced herself, Truly Romantic didn't waste any time proving herself in the breeding shed. Her second foal, Prospect Of Love, (by Suave Prospect) was a stakes winner at two and was stakes placed another five times in her twenty-seven start career. Next came a full sister named Fearless Leader, who waited until she was five to garner her first stakes win. Several more useful runners came before she was bred to Private Vow and produced 2015's Louisiana bred champion Three-Year-Old by the name of Pacific Pink, who is her last reported foal.

## **2015 ANDREW L. "RED" ERWIN** **STALLION OF THE YEAR**

### **HALF OURS**

Unbridled Song – Zing by Storm Cat  
Owner: Half Ours Group

Half Ours came back to repeat an honor he shared with Brahms last year as the leading stallion in Louisiana. With \$1.9 Million earned by his Accredited Louisiana breds and total earnings for the year on just over \$3 Million it is not hard to understand how he won the A. L. Erwin Award this year. His five individual stakes winners include Gentlemen's Bet, winner of the Hot Springs Stakes and Frank DeFrancis Memorial; Out Rapidash, winner of the Louisiana Stallion Stakes; Jockamo's Song, winner of the Louisiana Champions Day Sprint. Then came his two stakes winners to finish out the year when his Half Cajun and Smitty's Cougar each captured their division of the Louisiana Futurity. Half Ours stands at Clear Creek Stud in Folsom, La.

Irwin Olian obviously put a lot of faith in his stallion Lone Star Special. Almost all the runners that have won enough to put Olian's Tigertail Ranch on the top of the breeders list for the most money earned from Breeders Awards are by this stallion. His faith in Lone Star Special awarded him with the likes of Mobile Bay, this year's leading Three-Year-Old Colt who won the Super Derby for Tigertail Ranch then added the Zia Park Derby to add to his earnings. In addition to Mobile Bay, Lone Star Special had sixteen winners from twenty starters who earned \$1,199,081. This was enough to place him fourth on the Leading Sire List in Louisiana and he is the only stallion with fewer than thirty plus starters.

## **2015 LEADING BREEDER BY** **PERCENTAGE OF STAKES WINNERS**

### **STACY MOAK**

With five starters and two stakes winners it easy to see how Stacy Moak is the leading Percentage winner this year. In order to qualify for this award you must have at least five starters. Both stakes winners came from his Smart Strike mare, Diamondinthestream. First there was Cajun Spirit by Bernstein who won the A.L. "Red" Erwin Stakes at Louisiana Downs in September then came the end of the year win in the Colt and Gelding Division of the Louisiana Futurity to cap off a very nice year for owner/breeder Stacy Moak.

### RACING NEWS

#### **EVD Opens 51st Thoroughbred Season with New Post Time**

Evangeline Downs Racetrack Casino & Hotel kicked off its 51st season of Thoroughbred racing action on April 6 in Opelousas, Louisiana. The 84-day meeting will run through Saturday, August 27 with live racing each Wednesday through Saturday night. The season will feature a new post time of 5:50 pm CT, which is a change from the former post time at Evangeline Downs of 5:40 pm.

There will be 26 stakes races held during the season with total purses in excess of \$2 million. The

two biggest nights of the season will occur on a pair of Saturdays. The June 4 program will include three stakes races highlighted by the \$100,000 Evangeline Mile for 3-year-olds and up at one mile on the main track. Louisiana Legends Night will take place on July 2 offering eight stakes races for Louisiana-bred horses and will also include the richest event of the season, the \$125,000 Louisiana Legends Classic for 3-year-olds and up going 1 1/16 miles. A total of \$775,000 in stakes purse money will be offered on Louisiana Legends Night.

Improvements have been made to the turf course at Evangeline Downs for the 2016 Thoroughbred season. The racetrack has hired Randall Leger as the new Track Superintendent. Leger has supervised the turf course improvements, with the assistance of consultant Bode Boudreaux and turf specialist Scott Guidry. Turf rye has been planted on the course, which has also been top-dressed with sub-angular sand. This has allowed the course to now have a more solid foundation and root system. It is expected to be at three inches for the start of the racing season. The end goal of the renovations to the Evangeline Downs turf is to make it one of the finest turf courses in the United States.

For more information on the Thoroughbred season at Evangeline Downs, visit the track's website at [www.evdracing.com](http://www.evdracing.com). Evangeline Downs' Twitter handle is @EVD Racing and the racetrack is also accessible on Facebook at

[www.facebook.com/EvangelineDownsRacing](http://www.facebook.com/EvangelineDownsRacing).

#### **Delta Downs Closes 2015-16 Meet**

Delta Downs closed out its 2015-16 Thoroughbred season on Saturday, February 21, 2016 with some familiar names making it to the top of the horsemen standings. Jockey Gerard Melancon claimed the title of leading jockey; Karl Broberg took home the hardware for leading trainer; and End Zone Athletics Inc. finished off the meeting at the top of the owner standings.

Melancon led all jockeys in terms of wins with 78 and total mount earnings with \$1,947,925. The 48-year-old Scott, Louisiana resident scored four stakes tallies on the meet. His richest wins came in the My Trusty Cat with La Appassionata and the Louisiana Jewel aboard Giant Cruiser. Each race was worth \$150,000.

Overall it was Melancon's fourth leading jockey title at Delta Downs dating back to the 2007-2008 season when he set a track record with 146 trips to the winner's circle and his mounts earned a record \$2,815,690. During his career Melancon has won 4,481 races.

Broberg dominated the trainer standings from start to finish at Delta Downs while breaking the track record for most wins in a single season with 93. The Arlington, Texas resident also set a new mark for success by a leading trainer with a 33% win rate. Broberg has now won five consecutive leading trainer titles dating back to the

2011-2012 season.

In addition to success at Delta Downs, Broberg has also made a big impression across North America in recent years. The 45-year-old led all trainers with 325 wins in 2014 before repeating that feat last year with 420 trips to the winner's circle.

End Zone Athletics Inc., which is made up of Broberg and Matt Johanson, made off with their fourth leading owner title this season as they saw 21 of their horses tally victories. The barn is made up of primarily allowance and claiming horses who tallied total earnings of \$321,315.

The owner with top earnings this year was Big Chief Racing LLC (Matthew W. Bryan) who saw their

charge Exaggerator invade Delta Downs on November 21 and take the season's richest event, the \$1,000,000 Delta Downs Jackpot (Gr. III). Exaggerator, who is currently vying for a spot in the Kentucky Derby starting gate on May 7, took home \$600,000 for his Jackpot victory.

Delta Downs is now preparing for its 2016 American Quarter Horse season, which gets underway on Friday, April 22. The 46-day stand will run through July 9 with live racing each Wednesday through Saturday night starting at 6:15 pm CT.

### Vicar's in Trouble Succumbs to Laminitis

Ken and Sarah Ramsey's Vicar's in Trouble, winner of the 2014 Louisiana Derby (gr. II), was put down March 11 due to complications of laminitis, it was confirmed by Ramsey Farm general manager Mark Partridge.

Bred in Louisiana by Spendthrift Farm, Vicar's in Trouble was from the second crop of Into Mischieff, out of Vibrant, by Vicar. An \$8,000

sale yearling, the Ramsey's purchased Vicar's in Trouble for \$80,000 at the Fasig-Tipton Midlantic 2-year-old sale in 2013 from Pike Racing.

A winner at 2, he won Fair Grounds Race Course & Slot's Lecomte Stakes (gr. III) at three by 6 3/4 lengths. Third in the Risen Star Stakes (gr. II), he bounced back to win the Louisiana Derby by 3 1/2 lengths and headed to Louisville for the Kentucky Derby Presented by Yum! Brands (gr. I).

He finished 19th behind California Chrome under the Twin Spires after breaking from the rail, but rallied later in the year to place in the Iowa Derby (gr. III) and West Virginia Derby (gr. II) before winning the Super Derby (gr. II) at Louisiana Downs by 7 1/4 lengths. He then was second in the Indiana Derby (gr. II) before a career-ending injury occurred in that year's Breeders' Cup Dirt Mile (gr. I) at Santa Anita.

Vicar's in Trouble went 4-1-4 in 11 starts and earned \$1,228,292.

### Hall of Fame Jockey Calvin Borel Retires

Hall of Fame jockey Calvin Borel retired unexpectedly on Wednesday, March 30, according to his agent Larry Melancon.

Melancon said Borel, 50, informed him Tuesday afternoon that he was retiring. The two talked again about 40 minutes before the track opened Wednesday morning, Melancon said, and nothing had changed.

Jerry Hissam of Hot Springs, Borel's close friend and longtime agent, was also unable to shed any light on the jockey's abrupt retirement. Hissam had represented Borel for most of the last 25 years

### Equine Sales Company Announces Date for Unified Yearling Sale with LTBA

Equine Sales Company announced March 3, 2016 that it will hold its Consignor Select Yearling Sale on September 7, 2016, in Opelousas, Louisiana. This will be the first unified yearling sale held by Equine Sales together with the Louisiana Thoroughbred Breeders Association (LTBA).

A mutual agreement between Equine Sales and the LTBA was announced earlier this week. In a press release Tuesday, March 1, the LTBA announced:

"The Louisiana Thoroughbred Breeders Association (LTBA) and Equine Sales of Louisiana today proudly announce a mutual agreement with the purpose of encouraging and supporting the sale, purchase, and racing opportunities for Louisiana Thoroughbred horse owners, breeders, trainers and potential buyers in the State of Louisiana."

The LTBA has agreed to suspend the operation of the Breeders Sales Company of Louisiana's Annual Yearling Sale for a period of five years. During this period the LTBA will assist in the advertising and information gathering and provide a full endorsement of the Equine Sales of Louisiana.

"The Louisiana Thoroughbred Breeders Association and its members are the number one priority here. Moving forward as a unified group will only solidify the future of the industry in Louisiana," said Tom Early, President of the LTBA.

Gary Johnson, President of Equine Sales of Louisiana, was equally pleased. "Horsemen working together for a common goal is always what's best for business in Louisiana. The agreement to work together to provide a Yearling sale that everyone can be proud of is what's best for the horsemen."

"We are thrilled to have the endorsement of the LTBA and truly believe that by working together we can grow the market for Louisiana-bred horses, both nationally and within the state," said Foster Bridewell, sales director for Equine Sales. "We expect to have robust interest from both consignors and buyers for this joint yearling sale, especially with the support and promotion of the LTBA."

### Texas Commission Repeals Historical Racing

Under severe political pressure, the Texas Racing Commission during an emergency meeting Feb. 18 voted 5-4 to repeal rules that would have permitted historical racing machines at pari-mutuel racetracks.

Commissioners have voted two other times in the previous six months on repealing these rules but both votes were deadlocked without a majority, so the rules remained in place. If the rules had not been repealed at the Thursday

meeting, a legislative budget board could have withheld all the commission's operating funds and shut down both live racing and simulcasting beginning March 1.

"Today's vote was brought about because of extreme pressure placed on commissioners by a small handful of Senate leaders," said Marsha Rountree, executive director of the Texas Horsemen's Partnership. "We maintain that the budget rider that forced this vote was unconstitutional and that today's actions are meant to deny us our day in court. Real Texans will now suffer due to the continuing decline of the horse racing industry in Texas."

A couple of lawsuits are pending regarding historical racing, which is an electronic kiosk game that looks like a slot machine but is considered by several other states to be pari-mutuel in nature.

One lawsuit brought by the Kickapoo Traditional Tribe of Texas and a coalition of companies that run charity bingo parlors challenges whether the Texas Racing Commission had constitutional authority to implement rules for historical racing. In 2014, a district court judge ruled in favor of the tribe and bingo operators. The ruling was appealed and the lawsuit is still pending.

The Texas Horsemen's Partnership filed its own lawsuit Jan. 7 against the state's comptroller, Glenn Hegar. The horsemen's group alleges that Hegar implemented an unconstitutional budget provision allowing operating funds to be withheld from the racing commission. Since September, the racing commission had been operating on funds committed only for

90-day periods. Along with the intermittent funding was a threat that all funding could be pulled if the historical racing rules were not

repealed. The position of Texas Gov. Greg Abbot and Lt. Gov. Dan Patrick has been that historical racing is illegal and the racing com-

### **RMTC Approves Revised Thresholds**

The board of directors of the Racing Medication and Testing Consortium (RMTC) voted to approve several important recommendations from its Scientific Advisory Committee (SAC) and Horseracing Testing Laboratories Committee (HTLC).

The board of directors of the Racing Medication and Testing

Consortium (RMTC) unanimously approved recommendations from the SAC for revised thresholds based on recently completed research for three Controlled Therapeutic Substances (CTS) medications currently among those on the CTS list: xylazine and detomidine (two sedative/analgic medications) and omeprazole (an anti-ulcer medication).

In addition, RMTC board members voted unanimously to recommend to the Association of Racing Commissioners International (RCI) an expanded and more comprehensive out-of-competition testing rule for horse racing.

Chair Alex Waldrop updated the Board on significant progress toward full adoption of the National Uniform Medication

Program. According to Waldrop,

1) the Controlled Therapeutic Substances list has now been adopted in 18 states representing more than 90% of total handle, 2) third-party veterinarian administration of furosemide has been adopted in 17 states representing 65% of total handle, 3) the Multiple Medication Violations penalty system has been adopted in 12 states representing 35% of total handle, and 4) 28 states representing more than 75% of total handle are now receiving testing services from RMTC-accredited and soon-to-be accredited laboratories.

For additional information, visit the RMTC website at [rmtcnet.com](http://rmtcnet.com) or contact Hallie Lewis, RMTC communications and development consultant, at (859) 224-2848.

### **TVMDL receives RMTC accreditation**

Racing Medication and Testing Consortium (RMTC), the Drug Testing Laboratory at the Texas A&M Veterinary Medical Diagnostic Laboratory (TVMDL) has received full accreditation. The efforts of both the professionals in the Drug Testing Laboratory and the Quality Assurance Section at TVMDL resulted in TVMDL being named the seventh laboratory to receive full accreditation by the RMTC.

Travis Mays, Analytical Chemistry Section head and head of the Drug Testing Laboratory, explained that to achieve RMTC accreditation, the lab must first have ISO 17025 accreditation. They did so in 2014, when the lab received ISO 17025 accreditation from the American Association of Laboratory Accreditation (A2LA) Competition Animal Drug Testing

### **Pollard Challenge Kicks off TRF Campaign**

The Thoroughbred Retirement

Foundation (TRF) has announced a \$1 million challenge pledge by Carl Pollard to launch its \$20 million four year endowment campaign. Pollard, who breeds and races horses and formerly owned Hermitage Farm has supported the TRF for a number of years.

By making his pledge, Pollard has challenged the TRF to raise \$19 million over a four-year period. If it does, he will contribute \$1 million. The pledge is designed with interim milestones and incentives. Proceeds from the endowment will be used primarily for horse care expenses. Owner-breeder Robert Evans has also joined with a four year commitment of \$250,000.

“Basically, we all know the problem of retired thoroughbreds, and their aftercare is the responsi-

bility of everyone involved in our sport,” Pollard said. “It seems to me the TRF and its program is a wonderful win-win solution for horse racing. The problem is always money and I wanted to come up with a new plan of attack to help raise the type of funds the TRF truly needs to improve upon its mission.”

More than 32 years ago, the Thoroughbred Retirement Foundation created a place in racing for the many thousands of horses that need homes and/or second careers when their racing or breeding days are over. Currently, the TRF has 24 farms in 14 states and its programs continue to grow and develop.
